

- Check out local author, comedian and my friend Amy Lyle's just released Ted talk, Finding The Funny In The Crummy, on "connective humor." Recent reviews applaud her "depth of content, presence, and delivery" and "brilliant exploration of connective humor, which quickly establishes a bond with audiences that allows them to relax, laugh, and learn."
- Best-selling author, comedian and talk show host Amy Lyle just released her first Ted talk, Finding The Funny In The Crummy, on "connective humor" and it is a must-see. Learn how to connect through our commonality and see that we are all slightly flawed beings and it is our flaws that allow us to learn and laugh and connect with each other at the deepest level.
- Amy Lyle's just released TEDXBeaconStreet talk, Finding The Funny In The Crummy, is amazing! Amy is a local best-selling author, comedian and talk show host who draws on her personal experiences and the experiences of others to delivery this informative and entertaining talk. Learn how "connective humor" can help us all, even in the darkest of moments. You'll laugh, cry, and become inspired.
