#1 Best-Selling Humor Author Amy Lyle Releases "We're All A Mess. It's OK" Just In Time for Holiday Shoppers

Book Is Sequel to Comedic Hit: "The Amy Binegar-Kimmes-Lyle Book Of Failures"

[Book cover seen above includes a real alpaca from Atlanta Animal Casting, who now serves as the book's mascot – Santiago - a funny alpaca that sounds like a South American Tony Montana. [Meet Santiago.](#)]

(December 11, 2018 - Atlanta, Ga.) Amy Lyle, the number one best-selling author of "The Amy Binegar-Kimmes-Lyle Book Of Failures," just released her latest comedic gem, "We're All A Mess. It's OK," which includes short stories and funny one-liners from over 100+ contributors who recounted their most hilarious failures, indignities, and embarrassing moments. Debuting at #1 on Amazon's "Extended Families" category and in the top 5 under "Humor and Entertainment," [this laugh out loud thriller is available through Amazon](#), just in time for those seeking the perfect holiday gift.

"We're All A Mess. It's OK" captures life's more absurd moments honestly and without filter," said Amy Lyle. "Its very personal essays highlight the grainier sides of being human and imperfect. The contributors' stories will give our fellow embarrassed and struggling souls some comic relief...and maybe even some inspiration."

The book covers everything from horrible internet dating experiences, the strangest of co-workers, and vacations that went array, to the worst holiday gifts of all time. It's an anthology of the mini human disasters we all have, but never share with strangers.

Story samples include comedian/actor Kim Banta's tale, "My First Date and a Sluggish Toilet" in which Kim details the debacle in the nicest house in town (albeit one with sadly inadequate plumbing), which ended with an overflowing toilet and the panicked stashing of poo in her purse. In the outrageous short-story, "Saying 'I'm Sorry' Will Not Fix This Situation," Ashley P. recounts the collapse (no pun intended) of her best date into the worst ever when she leapt into her partner's lap, causing what is called in medical terminology, a penile fracture.

"'We're All A Mess. It's OK' reads like "Chicken Soup for the Soul" with a big old dose of snark and expletives," said Atlanta writer Rick Limpert. "If you like Jenn Mann, Samantha Irby, and Jenny Lawson, you will love 'We're All A Mess. It's OK.'"

Early reviews from the Atlanta community rave about the magnetic charm of "We're All A Mess. It's OK":

- "Laugh out loud, real-life misses and blunders you can completely relate to! The author does a beautiful job of capturing the hilarity of everyday life!"
- "Her new book doesn't disappoint. There's something strangely comforting about reading other people's silly mishaps. Life is truly funnier than fiction!"
- "Treat yourself to an evening of belly laughs by reading this book."
- "I was so happy to hear Amy Lyle wrote another book! Her first book has been my go-to giggle and finally another book! More great laughs in this book."
- "I couldn't wait for little blocks of time in my day when I could curl up with it and giggle away!"

Author Amy Lyle is currently on a "Why I Shared My Most Mortifying Moments and Why You Should, Too," tour with the intention of throwing out trying to be perfect – instead, being real brings people together.

About Amy Lyle

Amy Lyle is an author, comedienne, actor and screenwriter. Amy released her first book, "The Amy Binegar-Kimmes-Lyle Book Of Failures," a comedic memoir in 2017. The book quickly received accolades, rising to #1 in Amazon's "Humor and Entertainment"

category. Amy's next project includes the filming of her screen play for independent film (filming ETA fall 2019). The movie, #fakemom, will be produced by Suzanne Jurva, a previous DreamWorks executive, with the help of local Atlanta writer, Stephen Beehler. Amy starred in Sam Juergen's short film, "The Interviewers," which recently won "Best Comedy" at the 2018 Franklin Int'l Indie Film Festival in Franklin, TN. Amy lives in Cumming, Ga., with her husband, Peter, lots of teenagers and a large dog.
